Mt. Rainier Cruisers

April 2009

Message from the Prez

Spring is springing, and Summer is - (all to S L O W L Y) - going to be upon us.

It's time for us to start getting ready to represent ourselves, and our Club...with the style, grace and dignity each of YOU, and our Club, has grown to love.

We have had a couple of VERY productive planning meetings for our Show-N-Glow (August 14th), and our Meet-N-Greet (August 15th)...And what a good group of WORKING, planning people...lead once again by its fearless Leader and Chairman, Roger Klein. The wheels are turning (and so far, none have fallen off!!!)

We're getting VERY EXCITED about our upcoming Cruise to Alaska on the Norwegian Pearl, as well!!! This trip is rapidly approaching, and 'final' preparations are being made...(We can't wait to get into some c o o l e r weather !!!)...lol!

The next few months also starts a number of opportunities we'll have to enjoy each other, our Club, and the fellowship we share with fellow-PT'ers...We have our upcoming trip to the Mt. Vernon Tulip Festival (April 18th), and the YakiVegas Wine Tour and Car Show coming up May 1st-3rd...Both events are always a memorable experience and a hoot (to say the least)!!!

Billy McHales and Performance Grill are graciously working with us to facilitate and host two FUN filled events, with our 2nd Annual Show-N-Glow, and our 5th Annual Meet-N-Greet.

As always, the significant factor in all of this - is YOU!!!

THANK ALL OF YOU for your continued, consideration, cooperation, assistance and support...YOU make this Club one of the most enjoyable car clubs around...

So let's do what we do best....HAVE FUN and ENJOY Life !!!

(Who knows, maybe even the weather will cooperate with us...novel concept, eh)!

Keep Cruisin Safely!

Member of the Month – Roger Klein

Like a “rebel without a cause”, I’m a club member without a cruiser. I am the car wash and minor detailing “pit crew” for my wife’s 2002 Ltd Edition, Patriot Blue, PT Cruiser affectionately known as “THE BUGGY.” I have enjoyed many experiences with this club since Diana and I joined in 2006. I have found many new friends that have learned to put up with me. Thank you all for your patience, understanding, and friendship. If you see me around wish me a happy birthday, as this is also my birthday month. I truly hope this club continues to grow. Mt. Rainier Cruiser members are friendly, helpful, kind, considerate of others, and are a lot of fun to be around.

Warm Regards,

Roger Klein
