Welcome: All members and introduction of guests.

Treasurers Report: Theresa gave the Treasurer's report.

Meet N Greet: We are starting to get confirmation of vendors and others who will set up booths i.e. Pride Custom Art, Fisher House, Guide Dogs of America and the Club will also have a booth to sell merchandise and hand out information. Trophies are in place for the Show N Glow but still working on them for the Meet N Greet. We will need help from Club members to man our information booth. Rick Hancock agreed to be in charge of music. If anyone has CD's they would like to have played, give them to Rick. Gary M and Jon Thibodeau have agreed to "dunkees" if we can get a dunk tank. Aggie will check with the Lion's Club to see if we can rent or borrow one from them. We have been getting raffle donations, keep bringing them in. The Lady Cruisers will meet to put together the baskets as they did last year. Registration forms and flyers are available tonight if anyone wants one. The next event planning meeting will be held on May 30th at 11:00, after the Board Meeting.

Lady Cruisers: The decision was made at the last meeting to go with pink T-Shirts and they will buy the denim shirts to go over them from the Club. They will also have pink visors available for purchase. The next Lady Cruiser meeting will be held on May 12th at Noel's in Edgewood at 6:30.

Gen. Discussion: We still have membership cards which have not yet been paid for. Please see Theresa so the Club can get reimbursed for the up front costs.

The roster was emailed out but some of the member did not get it. Please get with Carol if you need a roster emailed or if you have updates.

Roger will get with Garry A to get the left over goodie bags and the Lady Cruisers will work on getting them stuffed with this year's items for the registration booth.

Events: Gary gave a report on the Yaki-Vegas trip. Several of our members won trophies; he also had great pictures to share. Jeff announced up coming events such as the Charleton Glass Works Cruise, Country Village Cruise and our 2nd Annual Borst Park BBQ. Aggie will do reconnaissance on that for the best price and place to get water guns. The website is updated with events and Jeff has some hard copies he can pass around listing the events as well. Our Alaska Cruise is coming up in 10 days; there may still be space available if anyone is interested in joining us.

Charities: Chris is meeting with Fisher House to get information on volunteering with them, she will check into arranging a cruise for our Club as previously discussed.

It was decided by the Club to keep those for purchase by Club members and sell the ones with the patch for anyone outside the Club that wants to buy one. We will also have other Club merchandise ready for sale by the Meet N Greet. Butch brought in more samples of jackets, vests, polo shirts and denim shirts. These are available for purchase tonight if anyone wants one. He also passed around the order form, you can make checks payable to Butch and he will get the order placed.
