Mt. Rainier Cruisers

June 2009

## ♪ "Ooo wee, baby – come on let me take you on a Sea Cruise!" ♪

We had a fabulous week of sun and fun in Alaska and Canada. There was abundant wildlife (both on and off the ship!), too.

The daily "breakfast club" met on the aft deck after a run through the buffet (or two!). This photo is from the day we cruised through the icy wilderness of Glacier Bay.

Many thanks to Roger and Diana for organizing this great Crusin' Cruisers event. Let's do it again, soon!

**Member of the Month – Dorothy Scheidegger**

I was born and raised in Louisville, Kentucky. Bob and I were married October 1, 1948. Bob was stationed at Fort Knox, KY. In April 1952, Bob was sent to Korea. We raised four children; we have thirteen grandchildren and eleven great grandchildren. When our daughter, Sharon, died we got custody of Cody. Most of you know him already.

When Bob first asked me to look at PT cruiser I said, "I don't one of those small ugly cars!" Then I was convinced that it was a good car. Our PT is a 2006 and blue in color. It is a traveling model and now I love it. We haven't been fortunate to go on any trips so far, but we are looking forward to going on some soon.

We enjoy the club and all the friendship we are receiving.
