Giving Thanks...

Thanksgiving Day brings to mind the blessings in our lives that usually go unnoticed: a home that surrounds us with comfort and protection, delicious food for pleasure in both eating and sharing, clothes to snuggle up in, books and good entertainment to expand our minds, and freedom to worship our God. Most of all we are thankful for our family and friends, those treasured people who make our lives extra special. You are part of that cherished group. On Thanksgiving, and every day, you are appreciated! Happy Thanksgiving!

LADY CRUISERS CORNER

The Lady Cruisers meet on the third Monday of each month. If you are interested in joining and having lots of fun, contact Diana Klein or Joanne Way.

Instead of having a November meeting, the ladies have decided to attend Holiday Bazaars on November 6 and/or 13. Algona Bazaar Nov 13 from 9-4 at the Rec Hall; Church Bazaar Nov 6 (contact Diana for more information).

This year for the Thanksgiving Holiday the Lady Cruisers have decided to adopt a needy family and present them with a Thanksgiving Food Basket. Diana has started collecting the items for this year's Thanksgiving Basket for a needy family. The basket will be given to a family at Diana and Roger's church. If you are still interested in donating items, contact Diana or Joanne. The ladies group is also planning to "Adopt a Family" for the Christmas holiday as well. More information about that in next month's MRC Newsletter.

Joan Bowman's 2003 Electric Blue PT Cruiser - - - Touring Edition

I am a new member of the Mt. Rainier Cruiser Club and am thoroughly enjoying the activities and getting to know the members of the club. I recently retired from Boeing after 31 years of dedicated service as an Executive Office Administrator. I live in Kent, WA in a Senior Mobile Park called Walnut Grove. It is quite a lovely park --- only 37 homes ---- but much too close to the Green River. We have access to the walking paths along the river and have several wildlife critters around us. I am a single mom and have two children, Alisa Marie and Aron Michael and one very spoiled granddaughter, Kristina who just turned 21 years old. Crafting is a big hobby of mine and I belong to several groups of crafters making cards, scrap booking, etc. It seems that I am keeping very busy in my new retired life these days. My bright blue PT is very special to me as I had to wait six months to get it - - - that was the only color I wanted - - it came from Portland, Oregon and was the "demo" car that was driven around to show off the new PT's when that year came out. My plan is turn my PT into the "Blue Butterfly" by putting a large butterfly graphic on the hood and decorating the inside with the butterfly theme. I think our "PT's" are very special just like the people who drive them and I am glad to belong to the Mt. Rainier Cruisers. Oh, and I also love going to any casino anytime.
